Margaret will be leading a workshop which will include music from her latest work: The Celtic Collection. Margaret will be exploring different aspects of singing but, in particular, how the meaning of words can be reflected in the voice to give musical colour to the sung piece. As in the Celtic tradition the music will both be both contemplative and more celebratory.

The workshop will aim to be both an uplifting musical and a spiritual experience and will be using a musical resource of benefit to any local church. This singing workshop will be assisted by a group of instrumentalists. Friends and family will be welcome to join us for the service at 5pm.

We are affiliated to RSCM and we look forward to welcoming all choirs and singing groups but particularly any choirs in the Oxfordshire area linked with the RSCM.
